## POLICY

### INTENT OF 340B MEDICATION PROGRAM

8037

**OBJECTIVE:** Our intent of the 340B medication program at BCHC is to use 340b medications to:

- 1) Provide our patients with medications at a discounted, more affordable rate in order to improve patient outcomes and
- 2) Provide expanded services at our facility as a result of medication savings and revenue including, medication therapy management.

### POLICY:

1. All qualifying patients and prescriptions of the 340b program will be divided into slide categories based off of slide designation. SFA, SFB, SFC, SFD and SFO (Other).

- SFA:** Cost + \$8.00 dispensing fee
- SFB:** Cost + \$10.00 dispensing fee
- SFC:** Cost + \$12.00 dispensing fee
- SFD:** Cost + \$15.00 dispensing fee
- SFO:** Cost + \$28.00 dispensing fee
