## POLICY

### RADIATION CONTROL POLICY

DEN 021

The following policy shall be followed with regard to the exposing of radiographs and radiation control. The purpose of this policy is to ensure that the exposure to patients and workers does not exceed regulatory limits and is "as low as reasonably achievable" (ALARA)

#### MONITORING BADGES

Monitoring badges shall be worn by all employees throughout the work day.

Badges shall be left in the clinic at the end of the work day and not taken home or outside of the office. If an employee should lose a monitoring badge or holder, the clinic will replace the badge or holder the first time. Subsequent losses will need to be replaced by the employee.

These monitoring reports will be collected each month and shall be kept in the department and on BCHC premises for at least 10 (ten) years.
