**IMPORTANT INFORMATION
REGARDING YOUR
VERIZON WIRELESS
AGREEMENT.**

April 1, 2015

Dear Verizon Customer,

We're pleased to inform you that we've renegotiated the terms of our Novation GPO Agreement. As a Novation-served Member, you will continue to enjoy discounts with America's most reliable network. Our agreement will continue to allow eligible Novation-served members to reduce wireless expenses through custom discounts, plans and features. In order to keep the offers aligned with current Verizon Wireless services, contractual changes will take affect 4/01/15. **These changes and benefits you will receive from being a Novation-served Member are listed on the reverse side of this letter for your convenience.**

In order for employee-liable users to maintain their full discount, they will need to enroll in paperless billing and My Verizon in 2015. Please encourage your employees to do so by visiting www.vzw.com/myverizon as soon as possible.

Communication will also be sent to all employee-liable users in April 2015 to inform subscribers of this change and any required actions. If the employee doesn't enroll by the timeline outlined in the upcoming April communications, their discount will be reduced to 19% until they complete enrollment. We appreciate your continued business with Verizon Wireless. If you have any questions or concerns, please feel free to contact us directly at 800-922-0204. Thank you for your time.

Sincerely,

Verizon Wireless
