POLICY AND PROCEDURE

APPROPRIATE SUPERVISION AND BACKUP OF CLINICAL STAFF

3001

PURPOSE:

To ensure Bullhook Community Health Center provides the highest level of support and supervision of the Clinical Staff.

POLICY:

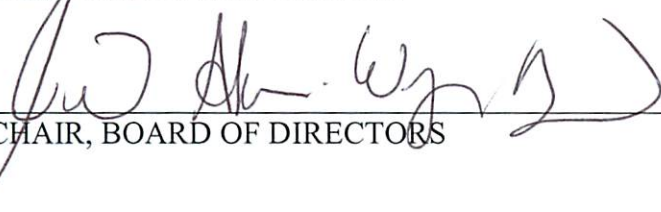

The Chief Medical Officer will be responsible for the review of performance of medical services by medical health care providers through chart reviews and by leading all QI/QA for the medical team. Staff physicians, nurse practitioners or physician assistant may be assigned to supervise the clinical support staff (RN, LPN, MA) as well as the Case Managers to ensure that the medical services performed by Bullhook Community Health Center at the highest level of skill and caring.

The Clinical nursing staff will have yearly evaluations and have job descriptions that are reviewed yearly by their direct supervisor.
