POLICY

INTRA-CLINIC COMMUNICATION

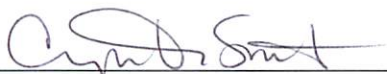

8003

OBJECTIVE: To establish effective lines of communication with all Bullhook Community Health Center personnel in order to promote better client care.

POLICY:

In order to promote better client care, the pharmacist will establish lines of communication with all BHC providers and clinic staff so that necessary medical and professional information may be obtained or disseminated in a timely and efficient manner.

Communications between pharmacy staff and clinic staff will be documented in appropriate software system.
