

**POLICY**

**APPROPRIATE SUPERVISION AND BACKUP OF CLINICAL STAFF**

**3001**

**PURPOSE:**

To ensure Bullhook Community Health Center provides the highest level of support and supervision of the Clinical Staff.

**POLICY:**

The Chief Medical Officer (CMO) will oversee the medical providers to ensure appropriate clinical supervision and decision making. The CMO/medical department manager will oversee the clinical skills and delegation of medical support staff. The CMO/medical department manager are responsible for the oversight of nurses and medical assistants following the appropriate credential requirements. The medical department manager is responsible for daily delegation of tasks and staff/department scheduling.

When BCHC employs a physician assistant there will be a supervising physician available to PA at all times.
