Job Title: Front Receptionist

Department:

Front End

Supervisor: Front End Manager

Supervises: N/A

Salary Range: \$31,200 - \$44,483.74 (\$15.00-21.39/hour) DOE

Job Overview: Responsible for helping answering phone calls, making appointments and rescheduling no shows for Medical, Dental and Behavioral Health departments. Entering patient information into the computer program (currently eCW), updating information for established patients and checking insurance eligibility for same day appointments. Also, responsible for educating patients about the sliding fee scale, outreach and enrollment services, the patient portal and patient related policies.

Essential Functions (Major Duties or Responsibilities): Answer all incoming phone calls, create telephone counters in eCW as needed. Transfer urgent clinical calls upstairs, making sure someone is available to answer the call. Schedule appointments (medical, dental, nurse, lab and behavioral health visits). When scheduling (VA), remind patients to bring needed paperwork to the appointment. Respond to request for medical records. Obtain records and scan into patient documents. Reschedule no shows. Use eCW messenger system for confirmation calls 2 days prior for all patients. Call new patients and those needing income verified one day prior to remind patient to bring income verification and/or insurance card, etc and to arrive 15 minutes early to complete necessary paperwork. Enter all new patient information directly into eCW. Verify income, explain sliding fee discount, actively refer to outreach and enrollment specialist for services, and update/scan forms into eCW. Check patients in, verify all information in the computer is correct, explain fee schedule, balance due on account and create payment plan if necessary, and collect money for office visit. Schedule all follow-up appointments, print summary (includes receipts and appointments scheduled summary). Create PT-ROA for patient payment batch, reconcile cash drawer, fill out daily deposit sheet, take mail to post office, print, fax or mail medical and/or immunization requests. Required to cross train for all front end positions. Maintain cleanliness of lobby area. Various other duties as assigned.

Team Approach: Managing patient care is a team effort that involves clinical and nonclinical staff (i.e., physicians, nurse practitioners, physician assistant, nurses, medical assistants, schedulers, billers and front end staff) interacting with patients and working as a team to achieve stated objectives. Emphasis is on ongoing interactions of team members to discuss roles, responsibilities, communication and patient hand-off, working together to provide and enhance the care provided to patients. All staff are members of the team. Involvement of the patient/family/caregiver with care team members is critically important to patient-centeredness.

Minimum Qualifications (Education and Experience): High School Diploma or equivalent. Previous experience with electronic health record system and in a primary health care setting preferred.

Knowledge, Skills and Abilities (KSA's): Demonstrated ability to work as a team player with strong emphasis on delivering patient satisfaction. High level of skill in interpersonal relations and problem solving.
